

Colorado Clean Energy Fund (CCEF) is a mission-first, nonprofit investment fund with energy expertise and flexible capital, filling existing financing gaps to accelerate clean energy adoption. Our vision is a just and equitable transition to a decarbonized economy, with CCEF serving as the North Star for clean energy projects and collaborators across Colorado.

Energy Project Accelerator Loan (Energy PAL)

Energy PAL is a statewide, short-term loan program intended to fill finance gaps for small businesses and tax exempt organizations implementing renewable energy, energy efficiency and building electrification projects.
